

ALBERTA  
ENTERPRISE AND ADVANCED EDUCATION

*Office of the Minister*

November 30, 2012

Dear Ms. Sims:

As the Minister of Alberta Enterprise and Advanced Education, I am delighted to recognize the completion of your internship under the Serving Communities Internship Program. I know that the enclosed \$1,000 bursary will help to support you in your post-secondary studies.

As you may know, the Serving Communities Internship Program is a result of a collaborative effort between the Government of Alberta, Volunteer Alberta, and the Alberta Students' Executive Council. The Program provides internship opportunities for students enrolled at one of Alberta's 26 publicly funded post-secondary institutions. Through the internships, students gain valuable work experience in the non-profit/voluntary sector and receive a \$1,000 bursary upon completion.

The contribution of your skills and talents to Alberta's highly valued non-profit/voluntary sector is greatly appreciated, as is the interest of the sector in providing meaningful work experience for Alberta students.

Should you have any questions regarding the attached bursary payment, please contact Stuart Dunn, Director, Alberta Scholarship Programs, at [stuart.dunn@gov.ab.ca](mailto:stuart.dunn@gov.ab.ca) or call 780 427-8640. For a toll-free call from outside of Edmonton and area, please dial 310-0000 followed by the ten digit telephone number.

Again, please accept my heartfelt congratulations. I wish you every success as you continue your learning and acquire the knowledge and skills needed to pursue your goals.

Yours truly,

Stephen Khan  
Minister
